

# Bisong Simon TV Business Blueprint Summary

## Founder & Purpose

Bisong Simon is a motivational speaker born on 22/11/1995 in Mamfe, Cameroon. He is the founder of BISONG SIMON TV - a spiritual, motivational media brand focused on transformation, writing, and personal growth.

## Core Product: The Bisong Blueprint

A digital 30-day transformation program with personal auditing, identity correction, spiritual insights, book writing guidance, and content creation strategies.

## Spiritual Blueprint (Astrology x Bravard-Braham Method)

Using Taurus-Libra house placements and astrology guidance, the brand aligns spiritual purpose with practical execution. Venus (values, beauty) and Mercury (messaging) are central.

## Key Challenges & Resistance

- Procrastination around content
- Natural voice not monetized enough
- Familiarity breeds underestimation
- Vision feels bigger than current identity

## **Final Message from 80-Year-Old Self**

"Simon... the moment you stopped waiting for permission and declared your voice divine - the gates opened. You were not called to be liked. You were chosen to lead... Keep building. Keep blazing. They'll follow when the dust settles. But you... you were born to roar while it rises."
