

The Bisong Blueprint - 50-Day Scale Tracker

Days 1–5: Soul Schedule

Create your consistent content rhythm. Match your energy to moon/Venus cycles.

Days 6–10: Clip Creation

Record 10 short motivational clips (1 min) on key soul errors and personal truths.

Days 11–15: Book Flow

Map out your book outline. Chapters, titles, intro, and the promise.

Days 16–20: 30-Day Program Setup

Structure your transformation journey: daily themes, activation prompts, reflection points.

Days 21–25: Audience Expansion

Promote clips across platforms. Use 'soul error' hooks to attract your aligned community.

Days 26–30: Brand Offer Launch

Craft your sales post, bundle offers, and upsell strategy. Activate affiliate opportunities.

Days 31–35: Sales Page + Funnel

Launch an opt-in page, thank you page, and email funnel via Mailchimp or Systeme.io.

Days 36–40: Monetize the Voice

Host a live audio room or video broadcast. Share your offer and origin story.

Days 41–45: Publishing Ritual

Finalize your eBook or workbook. Design your Canva export or upload to Gumroad.

Days 46–50: Legacy Reflection

Journal and record your 'Dear Future Self' message. Review your transformation. Celebrate!
